Dear Victor,

I hope you are doing great and moving up the ladder in the speaking world. I really loved your Sales Influence training last month down here in Fort Lauderdale in combination with Salesgenie. You have a great perspective on sales and I left with many pointers and gems that I have used since the event.

I thought your use of statistics was excellent and a few have been branded in my brain; especially the fact that the most successful salespersons prospect 45% of the time. I have revised my schedule accordingly.

I thought your energy was fantastic which made the day go by fast. Please let me know when you will be back down so I can come and see you again.

I expect to see you up there with all of the greats. Thanks so much and I am looking forward to seeing you again soon.

Regards,

David A. Fleisher
