

**University of Phoenix  
LEADERSHIP SUMMIT REPORT CARD**

Victor, we conducted an evaluation of our Leadership Summit, and I thought you would like to see the responses on your time with us. You were a hit! Of the respondents, 99% ranked you as excellent/very good (not sure who the other two people are!). I've also included some sample comments. Thanks again for being a special part of our conference and for making me look so good! **Jodie Ploessl, Senior Regional Vice President, University of Phoenix**
